

## IN THE SPECIFICATION

Please amend equation [1] on page 10 in the disclosure as follows:

$$\begin{aligned} &\text{amount of remaining bandwidth of Pr} \\ &= \text{amount of remaining bandwidth of Pr} \\ &- \text{amount of bandwidth required for new call} \end{aligned} \quad [1]$$

Please amend equation [3] on page 12 in the disclosure as follows:

$$\begin{aligned} &\text{amount of remaining bandwidth of Pr} \\ &= (\text{amount of remaining bandwidth of Pr} + M') \\ &- \text{amount of bandwidth required for new call} \end{aligned} \quad [3]$$
